Approaching Your School

A parent and community guide for seeking information and expressing concerns

From time to time parents or other members of the school community may need to approach the school in order to:

- Discuss the progress or welfare of own child
- Express concern about actions of other students
- Enquire about school policy or practice

It is therefore necessary to have procedures that will help solve problems as soon as possible so that a safe and harmonious school environment is maintained. The best results usually flow from working together.

These guidelines aim to:

- Provide a guide in order that concerns are dealt with in an open and fair manner.
- Ensure that the rights of students, teachers and parents are respected and upheld.
- Support sensitivity and confidentiality.
- help reach an agreed solution

On occasion, concerns may cause frustration and anxiety. At such times it is always important to organise a time to talk with school staff in an unhurried and confidential atmosphere.

- Trying to talk to teachers when they are trying to teach, manage children or engaged in another conversation is inappropriate.
